

Admission Arrangements at Walton CEVC Primary School

How to Apply

You and your children are welcome to visit our school so that you can look around and have plenty of opportunity to ask us any questions. These tours are normally conducted by the Head Teacher and can easily be arranged by telephoning the school office on (01458) 443675. You will be asked for a little information about your children as we would like them to enjoy their visit. We would be happy to arrange a follow-up visit if needed.

Come and see our school

You can apply for a place for your child at our school at any time and you will be informed if there is a place available in the relevant school year class. If your child is of pre-school age, and registered with a local GP, you will be contacted by the Local Authority Admissions Team a year before your child is due to start school. Children living in our catchment area are generally allocated a place at our school and many children who live outside the catchment area have also successfully applied. Children are given places strictly according to published admissions criteria.
